Re: Texas-New Mexico Power Company, E-00000D-03-0047

Dear Sir/Madam:

We enclose an original and thirteen copies of Texas-New Mexico Power Company's Ten-Year Plan, Thirty-Third Report, dated January 12, 2007, which should be filed before the end of January 2007.

Please acknowledge receipt of this letter and the attached documents by signing and returning to me the enclosed copy of this letter.

Please also stamp one of the copies of the Ten-Year Plan to reflect that these documents have been filed with the Arizona Power Plant and Transmission Line Siting Committee and return it to me in the self-addressed return envelope.

Yours very truly,

S. Jim Acosta

RE: Ten-Year Plan, Electric Transmission
Lines, Thirty-Third Report

Gentlemen:

Texas-New Mexico Power Company (formerly Community Public Service Company), a Texas corporation, files this ten-year plan, its thirty-second report, wherein it proposes to construct, as co-tenant with Public Service Company of New Mexico and El Paso Electric Company, a 345 KV electric transmission line and related facilities, which will extend from Tucson Electric Power Company's Greenlee Substation located in Greenlee County, Arizona to the Hidalgo Substation of Texas-New Mexico Power Company, located near the City of Lordsburg, in Hidalgo County, New Mexico, and then on to the Luna Substation of Public Service Company of New Mexico in Luna County, New Mexico.

Texas-New Mexico filed its ten-year plan first reporting these facilities on January 31, 1975; its ten-year plan, second report on February 6, 1976; its ten-year plan, third report on January 6, 1977; its ten-year plan, fourth report on January 6, 1978; its ten-year plan, fifth report on January 22, 1979; its ten-year plan, sixth report on January 21, 1980; its ten-year plan, seventh report on January 15, 1981; its ten-year plan, eighth report on January 22, 1982; its ten-year plan, ninth report on January 6, 1983; its ten-year plan, tenth report on January 3, 1984; its ten-year plan, eleventh report on January 18, 1985; its ten-year plan, twelfth report on January 6, 1986; its ten-year plan, thirteenth report on January 12, 1987; its ten-year plan, fourteenth report on January 15, 1988; its ten-year plan, fifteenth report on January 4, 1989; its ten-year plan, sixteenth report on January 12, 1990; its ten-year plan, seventeenth report on January 15, 1991; its ten-year plan, eighteenth report on January 28, 1992; its ten-year plan, nineteenth report on January 12, 1993; its ten-year plan, twentieth report on January 12, 1994; its ten-year plan, twenty-first report on January 30, 1995; its ten-year plan, twenty-second report on January 26, 1996; its ten-year plan, twenty-third report on January 10, 1997; its ten-year plan, twenty-fourth report on January 9, 1998; its ten-year plan, twenty-fifth report on January 20, 1999; its ten-year, twenty-sixth report on January 25, 2000; its ten-year, twenty-seventh report on January 23, 2001; its ten-year, twenty-eighth report on January 28, 2002; its ten-year, twenty-ninth report on January 8, 2003; its ten-year, thirtieth report on January 6, 2004; its ten-year, thirty-first report on January 11, 2005, its ten-year, thirty-second report on January 9, 2006, and reference is hereby made to those reports for additional details concerning these electric facilities.

This filing is made pursuant to A.R.S., Section 40-360.02, and thirteen copies are included with this original report.

Very truly yours,

DOUGLAS HOBBS

President & Chief Executive Officer
